

## END USER LICENSE– NEMOTEC (EULA)

**IMPORTANT: NEMOTEC IS PROVIDING THIS SOFTWARE FOR YOUR USE SUBJECT TO YOUR AGREEMENT TO BE BOUND BY THE TERMS AND CONDITIONS SET FORTH BELOW. IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT BY CLICKING ON SETUP'S "ACCEPT" BUTTON, YOU WILL NOT BE ABLE TO USE THE SOFTWARE. BY CLICKING THE "ACCEPT" BUTTON DURING THE SETUP'S PROCESS YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, UNDERSTOOD IT, AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS.**

**NEITHER NEMOTEC NOR ANY OF ITS THIRD-PARTY SUPPLIERS OR DISTRIBUTORS SHALL BE LIABLE FOR ANY INJURY, LOSS OR DAMAGE, WHETHER INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL NOR FOR ANY LOST PROFITS, CONTRACTS, LOSS OF DATA OR PROGRAMS, THE COST OF RECOVERING SUCH DATA OR PROGRAMS, OR INCORRECT ANALYSIS OR DIAGNOSIS OF LICENSEE'S PATIENTS.**

WHEREAS, NEMOTEC desires to grant to Licensee, and Licensee desires to accept from NEMOTEC, a license to use the Software (as defined herein), both parties shall be subject to the terms and conditions hereinafter set forth.

For this End User License ("License") the following terms shall have the meanings given below:

- **The Software:** means the object code version of the computer following programs:
  - NemoCeph – Digitalized Cephalometric software in 2D
  - NemoCast– Helps you perform a complete analysis for Ortho models
  - NemoFAB– Superior surgical diagnosis and treatment planning for correction of face, airway and bite
  - NemoSmile Design 2D – Software to design 2D smiles
  - NemoSmile Design 3D – Software to design 3D smiles
  - NemoScan – Implant diagnosis and planning software based on the future prosthesis of a patient.
  - NemoDent: Agenda, treatment plan, lay out and other managerial tools

Additionally, within the definition of "Software" shall be included the accompanying user documentation ("Documentation") and other supplemental materials as provided to Licensee by NEMOTEC, including but not limited to any software security keys, dongles, modifications or additions relating thereto. For purposes of this License, the Software shall also include any new releases, updates, revisions, modifications, additions, corrections and fixes of the computer program that Licensee may separately receive, if contracted and paid, in the future. For clarification

purposes, this License does not grant Licensee the right to any new releases, updates, revisions, modifications, additions, corrections and fixes of the Software unless Licensee expressly contract maintenance or support from NEMOTEC.

- **Licensee:** means the user of the Software, as described in the Order Form.
- **Order Form(s):** means a document supplied by NEMOTEC or any authorized distributor that has been executed by Licensee, describing the number of licenses of the Software purchased by Licensee and accepted by NEMOTEC or such authorized distributor. NEMOTEC will accept the Order Form by either confirming NEMOTEC's acceptance in writing or by delivering the Software to Licensee, whichever occurs first.
- **Product(s):** any product, device or model made or manufactured using the Software. This definition shall include not only the physical device but also the virtual model that depicts the Product, made using the Software.

NOW, THEREFORE, NEMOTEC and Licensee agree as follows:

### 1. LICENSE

For payment of the applicable non-refundable License consideration identified on the Order Form, NEMOTEC grants to Licensee, and Licensee desires to accept, a limited license to use the Software upon the terms and conditions hereinafter set forth.

Therefore, by means of the present agreement, NEMOTEC grants solely to Licensee, as an end user, a limited, non-transferable, non-sublicensable and non-exclusive license to use the Software for commercial purposes.

In the event Licensee is using the Software as a **trial or demonstration**, all terms described in this License shall apply (unless noticeably incompatible), with the following exceptions: 1. The Term (Section 3) of the license shall be 30 days; 2. Licensee shall not be authorized to use the Software for commercial purposes, and only for internal testing; 3. The Software is supplied with no warranty of any kind. Therefore, Licensee shall not have the right to use the Software to provide services or to create content for its own benefit or of any third party and, in any case, Licensee shall not use the Software after the 30-day trial period. It will be understood that Licensee is using the Software as a trial or demonstration when a dongle or virtual license has not been acquired by Licensee from NEMOTEC.

Finally, if Licensee is using the Software for **educational purposes**, all terms described in this License shall apply (unless noticeably incompatible), with the following exceptions: 1. The Term (Section 3) of the license shall be until the end of the corresponding school year; 2. Licensee shall not be authorized to use the Software for commercial, orthodontic and/or medical purposes, but only for education; 3. The Software is supplied with no warranty of any kind. Therefore, Licensee shall not have the right to use the Software to provide services or to analyze patients.

### 2. USER RESTRICTION

Licensee undertakes to use diligently the Software and, therefore, undertakes:

- not to grant access to the Software to any third party or to

employees of Licensee that due to their position in the company, should not reasonable access the Software;

- not to access to the source code of the Software;
- not to use the information, rules or instructions contained in the Software for purposes different than those established in this License;
- not to disclose to any third party any of the information obtained through the Software;
- not to permit the use of the Software to any third party without the previous authorization of NEMOTEC.
- not to permit the public to access or use the Software (including without limitation, via the internet).

For clarification purposes, access and/or use of data, information and/or output obtained and/or generated, either directly or indirectly, through the use of the Software are deemed to be access and/or use of the Software.

Moreover, Licensee undertakes not to:

- Reproduce the Software, in whole or in part, for any purposes;
- Copy and/or distribute the Software, in whole or in part, by any manner;
- Transfer the Software to any third party;
- Assign, sell, rent, lease, lend, sublicense, outsource or otherwise transfer the Software to any third party, or authorize or appoint any third party to do so;
- Modify the Software or provide any person with the means to do the same. This includes the creation of derivative works and to translate, disassemble, recompile, alter, destroy or reverse engineer the Software or attempt to do so, unless when expressly permitted by the applicable regulation;
- Circumvent the technological protection measures incorporated in the Software.
- In general, use the Software in a manner other than as specifically permitted in this License.

Licensee shall be liable to NEMOTEC in respect of any breach of this License.

### 3. TERM OF LICENSE

This license is granted for an unlimited period of time, except for earlier termination as provided below.

NEMOTEC may terminate this License immediately by giving Licensee written notice of termination in the event Licensee breaches any term or condition of this agreement and Licensee has failed to remedy such breach within two (2) days of the date of notice from NEMOTEC to Licensee. Licensee may at any time terminate this License voluntarily by giving notice to NEMOTEC.

In the event of termination of this License for any reason, Licensee will have no right to keep, access and/or use the Software or any copy of the Software for any purpose and Licensee shall destroy and erase all copies of the Software in its possession or control, and forward written certification to NEMOTEC that all such copies of Software have been destroyed or erased.

Additionally, in the event of termination, NEMOTEC reserves the right to technically and remotely block Licensee from using and/or accessing the Software, via update of the Software or any analogous mean.

### 4. CONSIDERATION FOR THE LICENSE, PAYMENT, AND TERMS

Licensee agrees to pay the applicable License Fees for the Software within thirty (30) days of the date of invoice or such earlier date as is specified in the Order Form.

The Consideration for the License is nonrefundable, and is not subject to any kind of deduction, including without limitation, of any withholding tax. The Consideration for the License is exclusive of any applicable transportation charges, value added tax and other applicable taxes and duties, and therefore all such amounts shall be paid or reimbursed to NEMOTEC by Licensee. Late payments shall accrue interest at the rate of 1.5% per month compounded or, if lower, the maximum rate allowed by law.

### 5. INTELLECTUAL PROPERTY

Nothing contained herein shall be construed as granting or conferring any property rights in the Software to Licensee; therefore, NEMOTEC is not granting to Licensee by means of this License, the right to exploit its Intellectual and Industrial Property Rights, including but not limited to copyright and related rights, patent, trademarks, registered marks, trade secrets and confidential and proprietary information relating thereto, with the only exception of the limited license to use the Software in the terms described herein. All these rights are expressly reserved by NEMOTEC and, as a consequence, it will retain all ownership rights to the Software, together with any complete or partial copies thereof.

### 6. AUDITS

NEMOTEC shall be authorized to check at all times the compliance of this License by Licensee. To this end, NEMOTEC may use monitoring systems of the use of the Software, including the remote verification of such usage made by Licensee. Moreover, Licensee agrees to the following:

- a. implement a reasonable mechanism or process to ensure that Licensee's use of the Software does not exceed the number of licenses granted;
- b. take all necessary steps to destroy or erase all Software codes, programs and other proprietary information before disposing of any media containing the Software; and
- c. promptly provide written notice to NEMOTEC if Licensee exceeds the number of licenses granted. Upon NEMOTEC' reasonable request, but not more frequently than quarterly without reasonable cause, Licensee shall furnish NEMOTEC with a statement signed by a director and/or auditor, as required by NEMOTEC, verifying the above and shall permit NEMOTEC to audit the use of the Software at such times as may be mutually agreed upon. In the event Licensee's usage exceeds the license granted, without prejudice to any other rights or remedies NEMOTEC may have, including without limitation injunctive relief, Licensee agrees to pay NEMOTEC the relevant Consideration for the License and maintenance of the additional licenses, when applicable. Further, if such usage exceeds the license granted by more than five percent (5%) in economic terms, Licensee shall also reimburse NEMOTEC for the reasonable cost of such audit in addition to other amounts due.

### 7. LIMITED WARRANTY

The Software cannot be tested in every possible operating environment, therefore NEMOTEC does not warrant that the functions contained in the Software will meet Licensee's requirements, that operation of the Software will be uninterrupted, or that the Software is error free. Except as set

forth herein and to the extent permitted by law, all other warranties, expressed or implied, statutory or otherwise, including, but not limited to, implied warranties of merchantability, quality and fitness for a particular purpose are excluded on the part of NEMOTEC. Neither NEMOTEC nor any of its third-party suppliers or distributors shall be liable for any injury, loss or damage, whether indirect, special, incidental or consequential nor for any lost profits, contracts, loss of data or programs, the cost of recovering such data or programs, or incorrect analysis or diagnosis of Licensee's patients.

NEMOTEC warrants for a period of ninety (90) days from delivery to Licensee ("Warranty Period") (i) that the media/file on which the Software is supplied is free from defects in materials or workmanship under normal use and (ii) that the copy of the Software delivered to Licensee conforms in all material respects to the Documentation. In the event such media or delivery is defective, NEMOTEC will replace it promptly.

The warranty set forth herein shall not apply if the defect in the Software is the result of:

- a. the Software not being used in accordance with the Documentation, this License or with the platform(s) for which the Software has been designed and licensed by NEMOTEC; or
- b. the Software having been altered, modified or converted by Licensee or any third party except as may be specified in the Documentation; or
- c. the malfunctioning of Licensee's equipment; or
- d. accident or abuse; or
- e. service by any unauthorized person; or
- f. other software used by Licensee which has not been provided by NEMOTEC or for which the Software is not designed and licensed for operation; or
- g. any other cause occurring after initial delivery of the media to Licensee unless caused directly by NEMOTEC.

The foregoing states the complete and entire remedies that Licensee has under this warranty. NEMOTEC shall have no responsibility for any claims made outside of this Warranty.

## 8. LIMITATION OF LIABILITY

Any liability of NEMOTEC shall be limited in the aggregate to the amounts paid by Licensee for the Software. This limitation applies to all grounds for claims, including without limitation breach of contract, breach of warranty, negligence, strict liability, misrepresentation and other torts. The limitations of liability described in this Section 8 also apply to NEMOTEC' third-party suppliers and/or distributors. NEMOTEC' and its third-party suppliers' limitations of liability are not cumulative. Licensee's remedies in this License are Licensee's exclusive remedies.

Neither NEMOTEC nor any of its third-party suppliers or distributors shall be liable for any injury, loss or damage, whether indirect, special, incidental or consequential nor for any loss of profits, contracts, loss of data or programs, the cost of recovering such data or programs, or incorrect analysis or diagnosis of Licensee's patients. Neither this License nor anything in this Section 8 shall purport to exclude or restrict the liability of NEMOTEC or its third-party suppliers to any extent not permitted by law.

## 9. MISCELLANEOUS

**No possibility of assignment:** Licensee may not assign this License or any interest herein to any third party (including companies of the same group), without NEMOTEC's express prior written consent.

**Related Services.** Licensee shall be responsible for obtaining and

installing all proper hardware and support software (including operating systems) and for proper installation and implementation of and training concerning the Software to its employees. In the event that Licensee retains NEMOTEC to perform any services with respect to the Software (for example: installation, implementation, maintenance, consulting and/or training services), Licensee and NEMOTEC agree that such services shall be subject to NEMOTEC' then current standard terms, conditions and rates for such services unless otherwise agreed in writing by NEMOTEC.

**Credits.** During the duration of this License and after the end of the Term, NEMOTEC shall be entitled to use the Licensee's name, logos and trademarks in any form or media, to the extent necessary to disclose the commercial relationship maintained by the parties. Additionally, upon request by NEMOTEC, Licensee shall provide a "success story" or "use case", either in video, audio or text format, and the corresponding rights to their publication in any form or media for an unlimited period of time.

**Governing Law and Jurisdiction.** Any dispute arising from this Contract or relating to it, including any question related to its existence, term, construction, compliance or termination, shall be decided definitively through arbitration administered by the Court of Arbitration of the Official Chamber of Commerce, Industry and Services of Madrid (Corte de Arbitraje de la Cámara de Comercio, Industria y Servicios de Madrid), in accordance with its Arbitration Regulations in force as of the date of the submission of the request for arbitration. The arbitral court appointed for that purpose will be composed of a single sole arbitrator of the ICT Section and the language of the arbitration will be Spanish. The place of arbitration will be Madrid (Spain).
